Dear Sir:

STATEMENT OF UNINTENTIONAL DELAY IN SUPPORT OF PETITION UNDER 37 CFR
1.78(a)(6)

The entire delay in claiming priority in above referenced application to the Provisional application (60/234,751) between the date the claim would have been due under 37 CFR 1.78(a)(5) and the date of the filing of the claim was unintentional.

The application was provided the filing date of September 24, 2001, within one year after the filing of the Provisional application filed on September 25, 2000. I filed the application and, in error, did not claim priority to the referenced Provisional application. Because of the error, the claim was unintentionally delayed for the period stated.
